1. Welcome of the Italian Volleyball Federation President

Pietro Bruno Cattaneo

It's with great pleasure that I address my personal greeting and that of the whole Italian Volleyball Federation, that I have the honour to preside, over those who are working for the organization of the next 2019 Wevza Under 19 Men Championship, that will take place in Camigliatello Silano from 9 to 14 luglio 2019.

Youth Nationals Team has always been of paramount importance for the entire movement. In fact, represent for many young athletes the first opportunity to dress the National Team jersey. In their ranks they played and won many boys and girls that were become over time great champions.

My wish is that even from this group of young volleyball players can emerge many of the athletes who will be part of the National Team of the future.

To all the organizing committee I want to address a special greeting and a thank you for the valuable work done so far and for all that there will be to do in the coming weeks for the success of the event.

Finally, thanks to all the authorities in the area for the availability they have shown towards our initiative.

Goodbye to everyone on the playgrounds.

**Italian Volleyball Federation President
Pietro Bruno Cattaneo**
